Clean Water Services Advisory Commission

October 8, 2014

AGENDA

5:00 p.m. Dinner for CWAC Members

5:30 p.m. Carpool to Fernhill Wetlands

5:40 p.m. Fernhill Wetlands Natural Treatment System Site Tour & Update

The Fernhill Wetlands Improvement and Reuse Project has evolved into a natural treatment systems showcase that will provide many ancillary benefits—habitat improvements, aesthetics, education, passive recreation—while expanding treatment capacity at a much lower cost than conventional facilities. Staff will provide an overview of project status and upcoming elements

- Diane Taniguchi-Dennis, Deputy General Manager
- Nate Cullen, Wastewater Treatment Director
- John Dummer, Fernhill Project Engineer

6:30 Research & Development

Clean Water Services is conducting two research and development projects at the Forest Grove Facility—a High Purity Water System and a Media Pilot Test. The project managers for these two efforts will brief the commission on the results.

- High Purity Water: Adrienne Menniti, Senior Process Technologist
- Media Pilot Test: Jamie Hughes, Regulatory Affairs

7:00 Return to Forest Grove Community Center

7:10 Pure Water Brew Competition Report

Inspired by CWAC member Art Larrance, Clean Water Services provided High Purity Water to the Oregon Brew Crew for the Sustainable Water Challenge: Pure Water Brew Competition. Thirteen brewers produced 16 beers that were tasted by a panel of judges on September 6. The four winning beers were shipped to New Orleans to be featured at the WateReuse One Water Gala on September 28. Staff will provide a report on the project.

- Mark Poling, Business Operations Director
- Mark Jockers, Government & Public Affairs Manager
- Bob Baumgartner, Regulatory Affairs

7:55 p.m. Announcements

8:00 p.m. Adjournment

Next Meeting: November 11, 2014
