

# **Clean Water Services Advisory Commission**

## **April 8, 2015**

### **AGENDA**

**6:30 p.m.** **Welcome**

**6:35 p.m.** **Review/Approval of Meeting Notes of January 14, 2015**

**6:40 p.m.** **Clean Water Services Permit Renewal Status**

In 2011, the Clean Water Services Board of Directors charged CWAC with reviewing the District's permit renewal objectives and approach; providing a forum for stakeholder communication and outreach; and providing input to the District in responding to DEQ's draft permit conditions. DEQ is scheduled to release the draft permit for public comment in 2015. Staff will provide an update on the renewal objectives, permit schedule and anticipated comments

- Bob Baumgartner, Regulatory Affairs Department Assistant Director

*Action requested:* Information and background

**7:05 p.m.** **High Purity Water: Pure Water Brew Project Update**

DEQ held a public hearing and comment period in February on Clean Water Services' request to use high-purity recycled water on a limited scale to brew beer. The public comment period sparked an international conversation with nearly 400 news stories on the radio, TV and online. CWS' request is scheduled to go before the Environmental Quality Commission in April for a decision. Staff will provide an update on the project.

- Mark Jockers, Government & Public Affairs Manager
- Mark Poling, Business Operations Director

*Action requested:* Information and background

**7:30 p.m.** **Fernhill Natural Treatment Systems Update**

Construction of the 90-acre South Wetlands complex at Fernhill was recently completed. Staff will provide an overview the South Wetlands project and the design and schedule for upcoming phases.

- John Dummer, Watershed Management Principal Engineer
- Jared Kinnear, Reuse Manager
- Sheri Wantland, Public Involvement Coordinator

*Action requested:* Informational item

**8:25 p.m.      Announcements**
